OBSIDI®

Hey Nonvikan Karl-Augustt, 👋🏾

Tomorrow is your last chance to nominate your team for the 2026 OBSIDI® Awards.

If your team has turned bold ideas into real-world impact through innovation, collaboration, and execution, don't let their work go unrecognized.

The Innovation Team of the Year Award celebrates the teams building what's next—and delivering results.

A nomination puts your team in front of a 120K+ community of the most connected tech professionals. It recognizes the people behind the work, validates their impact, and gives your team's story a place on one of the most respected stages in tech.

Tomorrow, nominations close.
Don't let this be the year your team's achievements go unrecognized.
